

DURASTRIPE® CLEANER

ALL PURPOSE CLEANER AND DEGREASER

- Biodegradable
- Water Soluble
- Contains No Hazardous Chemicals
- Environmentally Safe for People, Animals, and Plants

Our proprietary DuraStripe® Cleaner is a non-hazardous, environmentally friendly, versatile, cleaning concentrate that is formulated for clean, residue free floor preparation before DuraStripe application, as well as for maintaining DuraStripe products on a facility floor after installation. It can also be mixed with water in a variety of concentrations for many other cleaning and degreasing applications in an industrial or commercial facility.

Non-Toxic	Neutral pH	No VOCs
No Odor	Non-Flammable	Non-Corrosive

DuraStripe cleaner can be effectively used in floor scrubbers, pressure washers and steam cleaners. It is a non-toxic, odor free, non-flammable, biodegradable water-based emulsion that is perfect for maintaining all DuraStripe marking products.

Recommended Concentrations	Heavy-Duty Cleaning	8 to 16 oz./gal
	Standard Cleaning	2 to 4 oz./gal
	Light Cleaning	1 to 2 oz./gal

For best results, mix with hot water.
Net Contents : 1 Gallon - 3.785 liter
